Easter is now behind us and unfortunately, due to a covid outbreak in the nursing home, some activities were curtailed. Having said this, the Easter Bunney still visited and residents enjoyed their eggs.

The Minister for Aged Care, Hon Anika Wells MP along with Shayne Neumann MP visited and met with the Board and managers before meeting residents and distributing Easter eggs to residents.

Our Home Care, Social Group and Meals on Wheels programs all underwent accreditation assessment from the Aged Care Quality and Safety Commission. We are required to respond with further information and believe that the full 3 year accreditation period will be approved.

During April, we will be undergoing another accreditation assessment for NDIS registration. This requirement is because we provide care for NDIS clientele.

Hot Off The Press: The Federal Government has deferred the implementation of the new Aged Care which was due to commence from 1 July 2024. We now wait to see what this means for our services.

Jenny's cut for a cause

Our Clinical Nurse, Jenny, partnered with Variety – a Children's Charity that provides support to children who are dealing with sickness, experiencing disadvantage or living with a disability.

On March 18th, Jenny had her hair cut by our Hairdresser Lynda, to donate it to be made into a wig, for someone to use who has experienced hair loss from their illness.

To date, Jenny has raised \$796 to this incredible cause.

If you wish to donate, and help Jenny reach her goal, you are still able to do so by going to :

We are all incredibly proud of Jenny, and think she has done a very wonderful thing.

Not to mention, her new hair looks fantastic and suits her well!

What is Dignity of Risk

Dignity of risk is another way of saying you have the right to live the life you choose, even if your choices involve some risk. Dignity of risk is included in the Aged Care Quality Standards. These Standards require your provider to recognize and respect your unique identity, culture, social connections, wellbeing, and needs. This will help you to maintain your independence.

Cabanda Home Care will work with you to make sure you understand the risks to you and others. We will work with you to manage those risks and respect your decisions.
